EDUCATION

Ph.D.   Statistics, University of Missouri - Columbia, 2020
Dissertation: *Regression Analysis of Complex Longitudinal Data*
Supervisor: Dr. Jianguo (Tony) Sun

M.A.   Statistics, University of Missouri - Columbia, 2019

M.Phil.   Statistics, The Hong Kong Polytechnic University, 2016
Supervisors: Dr. Xingqiu Zhao and Dr. Zhisheng Ye

B.S.   *First Class Honours*, The Hong Kong Polytechnic University, 2013

APPOINTMENTS

2023/06-   **Assistant Professor (tenure-track)**
Department of Biostatistics and Health Data Science,
School of Medicine, Indiana University

2020–23   **Postdoctoral Fellow**
Department of Biostatistics and Bioinformatics,
Rollins School of Public Health, Emory University
Supervisors: Dr. Limin Peng, Dr. Ying Guo, and Dr. Amita Manatunga

2017   **Research Assistant**
School of Journalism
University of Missouri and Chinese University of Hong Kong

2014   **Visiting Research Engineer**
Department of Industrial and Systems Engineer
The National University of Singapore

CONFERENCES AND PRESENTATIONS

Invited Talks

2023   "Partial Quantile Tensor Regression." 12th ICSA International Conference, Chinese University of Hong Kong, Hong Kong, China. July 7-9.

2023   "Partial Quantile Tensor Regression." ICSA 2023 Applied Statistics Symposium, University of Michigan, Ann Arbor, MI. June 11-14.

2023   "Sparse Partial Logistic Tensor Regression with Application to Neuroimaging Data." Statistical Methods in Imaging Conference, University of Minnesota, Minneapolis, MN. May 22-24.

2023   "Kernel meets sieve: transformed hazards models with asynchronous longitudinal covariates." 2023 Lifetime Data Science Conference, Raleigh, North Carolina. May 31 – Jun 2.

2022   "A new robust approach for regression analysis of panel count data with time-varying covariates." 4th International Conference on Statistical Distributions and Applications, Huntington, WV. Oct 13-15.

2022   "A new robust approach for regression analysis of panel count data with time-varying covariates." The 5th International Conference on Econometrics and Statistics (EcoSta 2022), Ryukoku University, Kyoto, Japan. Jun 4-6.

2022   Invited Panelist, NISS GSN Webinar: Postdoctoral Panel, Virtual. Jan 27.

2021   "Kernel meets sieve: transformed hazards models with asynchronous longitudinal covariates." Biostatistics Group Seminar, University of Missouri. May 11.

2021   "Kernel meets sieve: transformed hazards models with asynchronous longitudinal covariates." Statistics Department Seminar, Georgia State University. Mar 26.

2021   "Kernel meets sieve: transformed hazards models with asynchronous longitudinal covariates." Dr. Hongyuan Cao's group, Florida State University. Mar 11.

Sessions Organized

2022   "Recent developments in complex imaging data analysis." The 5th International Conference on Econometrics and Statistics (EcoSta 2022), Ryukoku University, Kyoto, Japan. June 4-6.

2021   "Statistical Approaches to Addressing Challenges in Neuroimaging Research." The Statistical Methods in Imaging Conference, Atlanta, GA. May 17-19.

Sessions Chaired

2023   "Statistical and Deep Learning for Survival Data." 12th ICSA International Conference, Chinese University of Hong Kong, Hong Kong, China. July 7-9.

2023   "Advanced Methods for Challenging Problems in Brain Imaging Studies." ICSA 2023 Applied Statistics Symposium, University of Michigan, Ann Arbor, MI. June 11-14.

2022   "Statistical Methods in Handling Longitudinal Data and Temporal Effect." Joint Statistical Meeting, Washington, DC. Aug 6–11.

2022   "Recent developments in complex imaging data analysis." The 5th International Conference on Econometrics and Statistics (EcoSta 2022), Ryukoku University, Kyoto, Japan. Jun 4–6.

2021   "Contributed Papers: Advanced Modeling for Imaging Data." ENAR Spring Meeting, Virtual. Mar 14–17.

2021   "Parallel session 4." Georgia Statistics Day. Oct 11.

2021   "Statistical Approaches to Addressing Challenges in Neuroimaging Research." The Statistical Methods in Imaging Conference. Atlanta, GA. May 17-19.

Campus Talks

2022   "Partial quantile tensor regression." CBIS seminar, Emory University, Atlanta, GA. Sep 30.

2022   "Partial quantile tensor regression with application to neuroimaging data." Post-doc research talk for accepted students, Emory University, Atlanta, GA.

Conference Papers Presented

2023   "Envelop-based generalized tensor regression model with application to neuroimaging data." ENAR Spring Meeting, Nashville, NT. Mar 19–22.

2022   "Envelop-based quantile tensor regression model with application to neuroimaging data." Joint Statistical Meeting, Washington, DC. Aug 6–11.

2022   "Envelop-based quantile tensor regression model with application to neuroimaging data." ENAR Spring Meeting, Huston, TX. Mar 27–30.

2021   "Tensor partial least squares for the quantile regression model with multiway neuroimaging data." Joint Statistical Meeting, Virtual. Aug 8–12.

2020   "Semiparametric maximum likelihood estimation for panel count data with time-dependent covariates." Joint Statistical Meeting, Virtual. Aug 2–6.

2020   "Semiparametric maximum likelihood estimation for panel count data with time-dependent covariates." ENAR Spring Meeting, Virtual. Mar 22-25.

2019   "Regression analysis of sparse asynchronous longitudinal data with informative observation times." Joint Statistical Meeting, Denver, Colorado. Jul 27–Aug 1.

2018   "Variable selection for recurrent event data with broken adaptive ridge regression." Symposium on Data Science & Statistics, Reston, VA. May 16–19.

Posters

2020   "Semiparametric maximum likelihood estimation for panel count data with time-dependent covariates." ICSA Applied Statistics Symposium, Virtual. Dec 13–16.

2019   "Regression analysis of sparse asynchronous longitu-dinal data with informative observation times." ICSA Midwest & NIC-ASA Joint all Meeting, Chicago, IL. Oct 24-25.

2018   "Variable selection for recurrent event data with broken adaptive ridge regression." Statistical Analyses of Multi-Outcome Data Workshop, Saint Louis, MO. Jun 11–12.

AWARDS AND HONORS

2023   **Junior Researcher Award**, 12th ICSA International Conference, *Hong Kong, China*. July 7–9

2020	**Poster Award**, ICSA Applied Statistics Symposium, *Virtual*. Dec 13–16
2019	**First Place in Poster Competition**, ICSA Midwest & NIC-ASA Joint All Meeting, *Chicago, IL*. Oct 24-25
2019	**First Place in Poster Competition**, Statistical Analyses of Multi-Outcome Data Workshop, *Saint Louis, MO*. Jun 11–12
2018	**Registration Award**, Symposium on Data Science & Statistics
2016-20	**G. Ellsworth Huggins Scholarships**, University of Missouri
2011-13	**The Hong Kong Polytechnic University Scholarship**
2013	**Scholarship in Economics**, The Hong Kong Polytechnic University
2012	**Dean's Honored List**, The Hong Kong Polytechnic University

TEACHING AND MENTORING

G: Graduate level, UG: Undergraduate level.

Emory University

Instructor: (Advanced) Seminar in Biostatistics (G), Fall 2022 – Spring 2023

Guest Lecturer:

> Statistical Inference II (G), Spring 2021, 2022
>
> Survival Analysis Methods (UG), Fall 2020
>
> Linear Models (G), Fall 2021

University of Missouri

Teaching Assistant: Introductory Statistical Reasoning (UG), Spring 2016 – Fall 2020

Instructed lecturer: Applied Survival Analysis (UG/G), 2020 Fall

The Hong Kong Polytechnic University

Independent Tutor:

> Engineering Mathematics (UG), Fall 2014 –Spring 2015
>
> Introduction to Statistics for Business (UG), Fall 2014 –Spring 2015

Mentoring Students

With collaborators and supervisors
2020–22   Zhuowei Sun, Doctorate, Jilin University, China

SERVICE

Editorial Service

2023 -   Associate Editor, American Journal of Emerging Scholars

Academic Journal Referee/Reviewer

JASA (1), *Annals of Applied Statistics* (1), *Biometrics* (1), *Computational Statistics & Data Analysis* (2), *Lifetime Data Analysis* (4), *Statistics and its Interface* (2), *International Journal of Biostatistics* (1), *BMC Medical Research Methodology* (1), *Statistics in Medicine* (1), *Statistical Methods in Medical Research* (1).

Grant Reviewer

| 2022 | Research Development Fund of Xi'an Jiatong-Liverpool University |
| 2023 | Postgraduate Research Scholarship Application Review of Xi'an Jiatong-Liverpool University |

Conference Service

2023	Program Book Committee chair; IT and Website Committee, 12th ICSA International Conference Conference 2023, Hong Kong, China. July 7–9.
2023	Program Book Committee chair, ICSA China Conference 2023, Chengdu, China. June 30 – July 3.
2022	COPSS Reception Receptionist at Joint Statistical Meeting 2022. Aug 10
2022	Program Committee, ICSA China Conference, Xi'an, Shaanxi, China. Jul 1–3
2021	Postdoc Conference Organizing Group, The Statistical Methods in Imaging Conference, Atlanta, GA. May 17–19

University/Departmental Service

2022-23	Department Seminars in Biostatistic and Bioinformatics organizer (with Joshua Lukemire), Emory University, Fall 2022 – Spring 2023
2022	Ph.D. qualifying exam proctor, Department of Biostatistic and Bioinformatics, Emory University
2022	Survival and Longitudinal Data Analysis Study Group organizer, Department of Biostatistic and Bioinformatics, Emory University, Spring 2022
2019-20	Biostatistics Group Seminar organizer, Department of Statistic, University of Missouri

SKILLS

Programming skills: Matlab, Mathematica, Python, R, C++, SAS, Linux shell scripting

Languages: Mandarin (Native), English (Fluent), Cantonese (Conversational)

PROFESSIONAL EXPERIENCE

May–Aug 2019   **Intern**, Eli Lilly and Company, *Indianapolis*. IN

MEMBERSHIPS

American Statistical Association (ASA)

International Biometrics Society - Eastern North American Region (ENAR)

International Chinese Statistical Association (ICSA)
